This Document Relates to:

ALL ACTIONS

---

Uber must provide information that is true and correct to the best of Uber's knowledge. Uber is under an obligation to supplement these responses consistent with the Federal Rules of Civil Procedure. In the event the DFS does not provide Uber with enough space for it to complete its responses or answers please attach additional sheets. The information in the DFS may, at Uber's discretion, be provided by reference to the Ride Receipt or other documentation. Please identify any documents that Uber is producing as responsive to a question or request by Bates-stamp identifiers. Please do not leave any questions unanswered or blank except as allowed by the instructions below.

**DEFINITIONS**

The following definitions shall apply to this DFS:

"Account Status Log" means a log or report that includes (to the extent available) the complete history of the driver's status with Uber, including the driver name, status (e.g. applied, active, deactivated, suspended, etc.), status note(s), whether status is current, time and date status began, time and date status ended, flow type (e.g. P2P), time and date flow began and ended.

"Agreements" means any contracts or agreements consented to by the Driver, including without limitation any Technology Services Agreements, Platform Access Agreements, Software Licensing Agreements, as well as Service Fee Schedules, driver addenda, and state or local specific addenda.

"Communications," as used herein, includes but is not limited to Bliss communications, Exact Target communications, voicemail recordings, recorded calls, and other messages and communications.

"Communications Log" (aka Comm Log) refers to a spreadsheet log of communications concerning

a Driver while logged into the Uber Driver App including (to the extent available) columns entitled timestamp, datstr, message uuid, to user uuid, from user uuid, direction, medium, content summary, and content.

“Driver,” unless otherwise specified, refers to the person with registered access to the Driver App who was identified by the Uber App as the driver during the Subject Trip.

Plaintiff” means the allegedly injured party who has filed the complaint in this action, provided that if the Plaintiff has filed the complaint on behalf of another (e.g. a decedent or a minor) then “Plaintiff” shall refer to the person on whose behalf the lawsuit was filed.

“Ride Receipt” means the standard trip summary and payment receipt generated by Uber, summarizing information related to the Subject Trip, including e.g., the Chronicle map snapshot, the start and end date and time, the location that the Plaintiff entered the vehicle, the end location, the name (or first name) of the driver, the license plate of the vehicle (though the appearance and information on the receipt may vary depending on when and where the trip occurred).

"The Date of Your Safety Taxonomy Implementation" as used herein shall refer to the date by which Uber had fully implemented its Sexual Misconduct and Violence Taxonomy (which implementation is described in Uber's 2018 Safety Report as occurring sometime in late 2018).

“Subject Trip” means the ride or trip the Plaintiff has identified as connected with Plaintiff’s legal claims in the above-captioned lawsuit.

“Ticket” as used herein means a customer support interaction or series of related customer support interactions (including but not limited to those which Uber sent, received, tracked, or organized via Uber’s Zendesk software, JIRA software, Bliss software, or another software program). Production of a Ticket, where required by this form, must include production of all information attached or linked to the Ticket, including without limitation the Chronicle map snapshot, Voyager data, comments, names of Uber personnel reflected in the tickets, and all Communications connected with the ticket.

“Trip History Report” refers to the log of all past ride requests a Driver has accepted, including (to the extent available) the date and time of each action (ride request, ride acceptance, begin trip, drop off), the status of the trip (whether completed, canceled, failed, etc.), the rating if any given by the rider to the Driver, the driver tools link, trip tools link, business line, city name, gross driver original fare, gross driver adjusted fare, all tags, and any feedback given by the rider via the App.

“Uber,” “You,” “Your” or “Yours” includes Uber Technologies, Inc., Rasier, LLC, Rasier-CA, LLC, and their predecessors.
